PLAYMATES OF THE 1990s

It was a time of change, a wild era that witnessed the end of the Cold War and the rise of the digital revolution. Bookended by the fall of the Berlin Wall and Y2K, the 1990s beat to the tune of a Nirvana soundtrack—unless you were a hip-hop fan, in which case you're probably still fuming over 2Pac. One thing didn't change in the decade, however. Men continued to lust for gorgeous women, and they turned to PLAYBOY to kneel at the altar of female power. It was a particularly awesome time for the magazine (and its new website). The list of Playmates includes Pamela Anderson, Anna Nicole Smith, Jenny McCarthy, Kelly Monaco and Karin Taylor (pictured)—all of whom you'll find inside this Playboy Special Collector's Edition. Want some more? Turn the page and trip back in time....
